

VCE VET Integrated Technologies

Written examination – End of year

Examination specifications

Overall conditions

The examination will be sat at a time and date to be set annually by the Victorian Curriculum and Assessment Authority (VCAA). VCAA examination rules will apply. Details of these rules are published annually in the *VCE and VCAL Administrative Handbook*.

There will be 15 minutes reading time and 1 hour and 30 minutes writing time.

The examination will be marked by a panel appointed by the VCAA.

The examination will contribute 34 per cent to the study score.

Content

The VCE VET Integrated Technologies examination will be based on the assessment requirements and the following compulsory units of competency from Units 3 and 4:

- VU21703 Work in an integrated technology environment Release 1 40 hours
- VU21704 Use electrotechnology skills in integrated technology work Release 1 80 hours
- VU21705 Use software applications in integrated technology work Release 1 20 hours

The weighting of marks on the examination will approximately reflect the proportion of nominal delivery hours of each unit of competency that is examinable for this program. The electives will not be examined.

The examination will focus on the required knowledge and an understanding of the required skills, as outlined in the elements and performance criteria for the relevant units of competency.

Format

The examination will be in the form of a question and answer book.

The examination will consist of two sections.

Section A will consist of 20 multiple-choice questions worth 1 mark each and will be worth a total of 20 marks.

Section B will consist of short-answer and extended-answer questions, and will be worth a total of 80 marks.

Individual questions may assess more than one unit of competency.

All questions will be compulsory. The total marks for the examination will be 100.

Answers to Section A are to be recorded on the answer sheet provided for multiple-choice questions.

Answers to Section B are to be recorded in the spaces provided in the question and answer book.

Approved materials and equipment
