## Advice

During the 2019–2024 accreditation period for VCE Extended Investigation, the Critical Thinking Test will be prepared according to the test specifications above. Each test will conform to these specifications.

Students should use command/task words, other instructional information within questions and corresponding mark allocations to guide their responses.

A separate document containing sample questions has been published on the VCE Extended Investigation '[Examination specifications, past examinations and examination reports](#)' page on the VCAA website.

The sample questions provide an indication of the types of questions teachers and students can expect until the current accreditation period is over.

The VCAA does not provide answers to sample questions.
