The examination will be completed using the computer you have been allocated.

All of the examination questions, including the assets required to complete the practical task, have been loaded on your computer.

It is essential that you follow the instructions regarding the composition and length of your multimedia productions.

You can review and modify your answers at any time.

All responses must be in English.

You are permitted to bring pens, pencils, highlighters, erasers, sharpeners and rulers into the examination room.

You are not permitted to bring blank sheets of paper, mobile phones or any other unauthorised electronic devices into the examination room.
